TO OUR CUSTOMERS

We would like to thank our customers, for your patience during one of the snowiest cold winters in history. We realize our call volume was extremely high, and at times, you were put on hold or had to call back. For this we apologize. Every customer's oil order was scheduled efficiently, on the same or following day.

TO OUR HAULER

Thank you to the personnel at Performance Transportation, our hauler. You never missed a beat, not only in our oil deliveries, but also with truck repairs, during one of our snowiest Februaries in history. Your personnel, office, dispatch, mechanics and drivers all went above and beyond to deliver our oil during some of the worst snow covered conditions, to insure product was in our tanks to satisfy our customer's needs.

TO OUR FUEL DELIVERY DRIVERS

A special Thank You to our fuel delivery drivers who have worked unselfishly, not only getting fuel products to our customers, but helping to keep our facilities plowed and open, and helping our elderly customers clear fill pipes to ensure deliveries were made, eliminating worry. We appreciate your "teamwork attitude". You stepped up for us when you were over worked, cold and tired. You are valued members of our Leominster Ice and oil family.

Thank you to our customers for keeping your fill pipe clear and in many cases assisting your neighbor and our drivers in getting to the fill location.

We publicly say **THANK YOU** to all of the above - without you we could not be:

Leominster Ice & Oil *April, Ross and Roy*
